

THE HON'BLE SRI JUSTICE P.S.NARAYANA

WRIT PETITION NO.20086 of 2006

DATED 26.09.2006

-
Between:

Tatipudi Ramulu and 17 others. .. PETITIONERS

versus

The District Manager, A.P. State
Housing Corporation Limited,
Visakhapatnam and two others.

.. RESPONDENTS

WRIT PETITION NO.20086 of 2006

ORDER:

The matter is coming up for admission today. Sri K.Mohan Rami Reddy takes notice on behalf of 1st respondent, Sri Ranga Reddy, learned Standing Counsel takes notice on behalf of 2nd respondent and the learned Government Pleader for Revenue takes notice on behalf of 3rd respondent.

2. Heard Sri B.M.Patro, learned counsel for the petitioners and Sri K.Mohan Rami Reddy, learned counsel appearing for 1st respondent.

3. The Writ Petition is filed for a Writ of Mandamus directing the respondents to complete the construction of houses in respect of the petitioners' claims on the blocks A&B constructed in the land 1 acre 32 cents in T.S.No.5, Siddhartha Nagar, Visakhapatnam-13, and handing it over to the petitioners forthwith and pass such other suitable orders.

4. Several factual details are narrated in the affidavit filed in support of the Writ Petition.

5. Sri B.M.Patro, learned counsel for the petitioners would contend that there is inordinate delay in further proceeding with the construction activity and hence positive directions may be issued. It is also brought to the notice of this Court that the petitioners made representations on

18.6.2006 and 19.6.2006 ventilating their grievances to the 3rd respondent.

6. In the light of the fact and circumstances, which had been well explained and narrated in detail in the affidavit filed in support of the Writ Petition, this Court is of the opinion that the Writ Petition be disposed of directing the 3rd respondent to take into consideration all the aspects specified in the representations specified supra and dispose of the said representations in accordance with law within a period of four (04) weeks from the date of receipt of a copy of this order.

7. The Writ Petition is disposed of accordingly. No costs.
